

Project Design Phase-II Flow Diagram

Date	03 November 2023
Team ID	NM2023TMID03241
Project Name	Create a Google My Business profile

Flow Diagrams:

A Flow Diagram (FD) is a traditional visual representation of the information flows within a system. A neat and clear FD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.
